Step 1: Go to Moodle and click on the Covid-19 info link:

COVID-19 Info for Students for Fall 2020

Section(s): COVID Students Fall 2020

Step 2: Click on the Training Video link & Watch the video (You must watch it):

COVID-19 Safety Training - Fall 2020 Students

This training is a required component for students preparing to return to campus for in-person teaching activities in the Fall 2020 term.

Please view the video and then proceed to the quiz.

Training Video

Concordia's Return to Campus During the COVID-19 Pandemic (Fall 2020) Video

Quick Quiz

Concordia's Return to Campus During the COVID-19 Pandemic (Fall 2020) Quiz

This is a quick quiz to assess basic understanding of principles of self protection and community protection.

Important: you must click CHECK at every question to have your response counted. Verify you have scored 100% before clicking on the final SUBMIT AND FINISH button.

Concordia's Return to Campus During the COVID-19 Pandemic (Fall 2020) Quiz

This is a quick quiz to assess basic understanding of principles of self protection and community protection.

Important: you must click CHECK at every question to have your response counted. Verify you have scored 100% before clicking on the final SUBMIT AND FINISH button.

Step 3: Once you finish the video, you need to do the small quiz (Quiz is easy and will allow you to see faults and get a chance to correct them. However; a final score of only 10/10 at the end is acceptable, so please make sure that you have full score before final submission).

Summary of your previous attempts

Attempt	State	Grade / 10.00	Review
1	Finished Submitted Wednesday, 16 September 2020, 5:55 PM	10.00	Review

Highest grade: 10.00 / 10.00.

Step 4: (MUST BE DONE TODAY (September 17); OTHERWISE YOU WILL NOT BE GRANTED ACCESS FOR TOMORROW): This step needs to be done at MyConcordia Portal and not on Moodle.

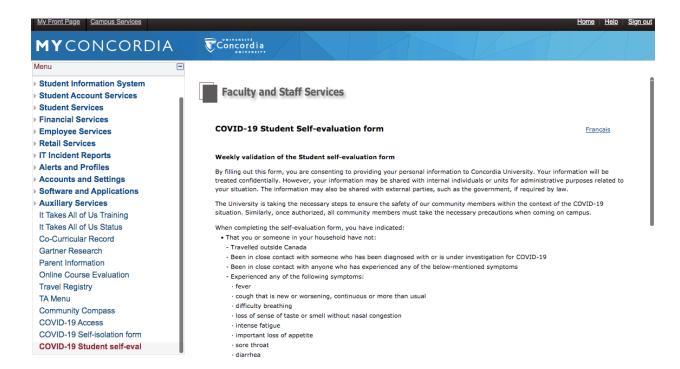

Click on Student Self-eval link (which should appears shortly after you pass the quiz). Fill this form and submit.
