If you have not yet done so. Create a GitHub account at

https://github.com/

We use two repositories for our course. Each group is assigned to one of the repositories.

Github link:
https://github.com/rilling/OpenTracksConcordia/tree/main/src/main/java/de/dennisguse/opentracks

Group	Group's main responsibility is for the following source code in these sub directories.
1	/ + /introduction/ + /settings/
2	/ui
3	/stats/ + /data/
4	/chart/
5	/services
6	/fragments/
7	/io
8	/share/
9	/publicapi/
10	/viewmodels/
11	/sensors/

src/main/java/de/storchp/opentracks/osmplugin

Group	Group's main responsibility is for the following source code in these sub directories.
12	/
13	/compass
14	/dashboardapi
15	/maps
16	/utils
